(First Verse)

I had put up so many walls  
but you're Superman and you broke through  
and then ya swooped in and stole my heart  
and that's when I fell for you  
All through my life  
I always told myself I could...  
Never used words like "shouldn't" "couldn't" or "maybe would"  
but then here you go makin' my head spin  
and now I'm saying things like "I Can't"

(Hook)

I can't imagine  
Life without you baby

(There is no me without you  
the little things that you do  
you make me life so complete I )

I can't Imagine

(No I.. )

Life without you Baby

(There is no me without you  
the little things that you do  
you make me life so complete I  
I can't Imagine)

(Verse 2)

Over and over  
I told myself that we  
probably shouldn't be more than  
Two People Dreaming Big  
Making music, hot tea and laughing  
Never thought that a bond like this could ever happen  
but it did for the kid and it slowed me down  
and I notice now  
your mind and your body are a fashion  
and everything you do is with a passion  
There's something that's sexy bout'  
Theres something sexy bout' you (yeah)  
Theres something that says forever bout' you

---

(Bridge)

Well you came in unexpected  
and you swept me off my feet  
there's a story to our story  
and it makes me feel complete  
and who knew it'd be you and me together  
Is this a dream don't wake me up hold me close don't let me go  
(don't let me go) (cause I ) (cause I)

I can't imagine Life without you baby  
Oh I, Oh I,  
I can't imagine no I just can't (2x)  
baby I can't  
I can't imagine a life without you
